MORGAN, T.H. 3214.

D/W April 8/18. Det. D/B.

Morgan was a farmer and had been a policeman before joining the Army. He came from the north of Ireland and was a tall, fair man. We were at Dernicourt on April 5 and engaged in an attack when Morgan was hit by M.G. Fire, one bullet passing through his lungs, others breaking both his arms. We handed him down to the S. Es. He was then alive, and I know nothing of his burial.
